SOME PROJECTS

I'm a self taught Software Developer and data enthusiast who enjoys constantly learning new things.

I've done some projects in my spare time, e.g.:

- Various Data Science/Analyst projects (Python, Power BI)
- Full Stack E-Commerce Website (ReactJS, Strapi, Stripe)
- TheOdinProject (Full Stack Web Development Course)
- Netflix Clone (ReactJS - TailwindCSS - Firebase)
- CryptoSite (ReactJS - TailwindCSS - Firebase)
- Sudoku Solver (Python)
- Jarvis Virtual Assistant (Python)
- Time Series Forecasting Energy Consumption (Machine Learning)
- Flight Price Prediction (Machine Learning)
